

Hot Runner Power Cables

ITP Mold Power Cables are used to interface between the main frame output power connector and the input connector on the mold. Our Mold Power Cables are designed for easy and secure latching with mold and main frame connectors and are engineered to ensure proper insertion of the cable.

Part Number: PWC5-10
Zones: 5
Length (feet): 10
Current (Amps): 15
Mold Cable End (Connector Kit): MEK-PR
Frame Cable End (Connector Kit): FEK-PR
Weight (Approx.): 4.0

Part Number: PWC5-20
Zones: 5
Length (feet): 20
Current (Amps): 15
Mold Cable End (Connector Kit): MEK-PR
Frame Cable End (Connector Kit): FEK-PR
Weight (Approx.): 4.5

Part Number: PWC8 - 10
Zones: 8
Length (feet): 10
Current (Amps): 15
Mold Cable End (Connector Kit): MEK-PR
Frame Cable End (Connector Kit): FEK-PR
Weight (Approx.): 5.0

Part Number: PWC8 - 20
Zones: 8
Length (feet): 20
Current (Amps): 15
Mold Cable End (Connector Kit): MEK-PR
Frame Cable End (Connector Kit): FEK-PR
Weight (Approx.): 5.5

Part Number: PWC12-10
Zones: 12
Length (feet): 10
Current (Amps): 15
Mold Cable End (Connector Kit): MEK-PR
Frame Cable End (Connector Kit): FEK-PR
Weight (Approx.): 6.0

Part Number: PWC12-20
Zones: 12
Length (feet): 20
Current (Amps): 15
Mold Cable End (Connector Kit): MEK-PR
Frame Cable End (Connector Kit): FEK-PR
Weight (Approx.): 6.5

Hot Runner Thermocouple Cables

ITP Mold Thermocouple Cables are used to interface between the main frame thermocouple connector on the thermocouple output connector on the mold. Our Mold Thermocouple Cables are designed for easy and secure latching with mold and main frame connectors and are engineered to ensure proper insertion of the cable

Part Number: THC5-10
Zones: 5
Length (feet): 10
Mold Cable End (Connector Kit): MEK-5TC
Frame Cable End (Connector Kit): FEK-TC
Weight (Approx): 3.5

Part Number: THC5-20
Zones: 5
Length (feet): 20
Mold Cable End (Connector Kit): MEK-5TC
Frame Cable End (Connector Kit): FEK-TC
Weight (Approx): 4.5

Part Number: THC8-10
Zones: 8
Length (feet): 10
Mold Cable End (Connector Kit): MEK-8TC
Frame Cable End (Connector Kit): FEK-TC
Weight (Approx): 5.0

Part Number: THC8-20
Zones: 8
Length (feet): 20
Mold Cable End (Connector Kit): MEK-8TC
Frame Cable End (Connector Kit): FEK-TC
Weight (Approx): 6.0

Part Number: THC12-10
Zones: 12
Length (feet): 10
Mold Cable End (Connector Kit): MEK-12TC
Frame Cable End (Connector Kit): FEK-TC
Weight (Approx): 6.5

Part Number: THC12-20
Zones: 12
Length (feet): 20
Mold Cable End (Connector Kit): MEK-12TC
Frame Cable End (Connector Kit): FEK-TC
Weight (Approx): 7.0
